ORDER DISMISSING CASE

COMES NOW the Court, on March 11, 2015, for a Case Management Conference, with the Defendant and the attorney for Defendant appearing in person, and the Plaintiff and Plaintiff's attorney failing to appear. The Court finds the Counsel for Plaintiff was properly noticed, however, Plaintiff and Plaintiff's counsel failed to appear and failed to advise the Court of any difficulties in appearing. As per the Court's February 17, 2015 Order, "Failure to Appear may result in the striking of pleadings, dismissal of claims, or the imposition of other permissible sanctions deemed proper." Therefore, this case is dismissed and the Court reserves jurisdiction for Defendant to move for attorneys' fees and/or costs, if proper.
